Drop That Thing

Groove Armada

This is the part when your booty drops Shake it and wiggle it make it pop This is the part when your booty drops Drop that thing

This is the part when your booty drops Shake it and wiggle it make it pop This is the part when your booty drops Shake it and wiggle it make it pop, ok This is the part when your booty drops Shake it and wiggle it make it pop This is the part when your booty drops Drop that thing

Put your hands to the top of the groove And then we just wind what you want bwoy And then we just wind what you want yeah

Drop that thing, drop that thing

This is the part when your booty drops Shake it and wiggle it make it pop This is the part when your booty drops Shake it and wiggle it make it pop, ok This is the part when your booty drops Shake it and wiggle it make it pop This is the part when your booty drops Drop that thing

Put your hands to the top of the groove And then we just wind what you want bwoy And then we just wind what you want yeah

This is the part when your booty drops Shake it and wiggle it make it pop Ok, ok, ok, ok
