Get Down

Groove Armada

Well it's comfy musical ting called Groove Armada, featuring Stush and Red Rat, of course

Dip and galang, dip and stand up Body basic, it won't dance more though Dip, galang, stand up While every man in the world light up

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down While every man in the world light up

Girls all stand up and watch me They want their sushi Movement do I look bushy And I miss you, they just cut me

Me have big booty They sweet like tutti frutti Licks you dance like cherry Angels and that's why I'm screeching

What I wait among the pressure Jump and sing for ... Body freeze and I pitch you up Then boy, easy flick her off

'Cause of this some girls get envy Even then try mess up your party Love, but be warned if you beat me There is no need to compete

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down Every man in the world light up

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down Every man in the world light up

So me I chill in the VIP suite See my DJ playing my beat Every newscast adverting me The dancefloor is where we will meet

All over the world, they're feeling Is so sweet, MIB Pop Style, well I'm free All jealousy, is for me

Their contribution fell on the finite Why is me smelly? 'cause of my feet Left all the love alit by the magic Then when I boom, then when I freak Find my commotions gone through my teeth Working the last of style for a beat Bow, now break to be the elite Jealousy I'll be nice and sweet

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down Every man in the world light up

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down Every man in the world light up

So they just dip and galang, dip and stand up Body basic, it won't dance more though Dip, galang, stand up Every man in the world light up

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down Every man in the world light up

So they just dip Galang Stand up Every man in the world light up

So they just dip Galang Stand up Every man in the world light up

Dip and galang, dip and stand up Body basic, it won't dance more though Dip, galang, stand up Every man in the world light up

So they just dip Galang Stand up Every man in the world light up

Girls all stand up and watch me They want their sushi Movement do I look bushy And I miss you, they just cut me

'Cause of this some girls get envy Even then try mess up your party Love, but be warned if you beat me There is no need to compete

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down Every man in the world light up

So they just dip, get down, get down Galang, feel, get down Stand up, get down, get down Every man in the world light up Feel
