Let me see you one up there
Ready for party.
When I put your one up there
Eye on my shorty.
Let me see you one up there
Ready for starting.
'Body one up there.

My recipe is Jack Daniels,
Non-filtered Camels,
Crates full of samples,
Dutches and examples,
One Nike in the grave,
One Nike in the rave,
It all makes sense after the 'shrooms and the purple haze.
It all makes sense after the 'shrooms and the purple haze.
It all makes sense after the 'shrooms and the purple haze.

Man check this out.
Ya muggin all silly, point in her face.
Old school puffin a philly.
Nothin to chase, Nothin to lose.
Solid ground stuck to my suit.
You can cut your split ends, you cant cut your roots.
Come on!
