Enta in de dance, plug it in and we begin  
Crowd up in de center, they watch be dibidim  
Watch de way we drop it in a mixed timin'  
Rise and amplifying when we come in wit de swing

Just follow in de back and naturally harmonizing  
Climb into position wit synchronised things  
Live from out de ghetto we maximizing  
Sound o de groove armada we superstylin'  
Superstylin', we superstylin'

Sometimes can you feel the pressure does unwind  
Sometimes  
(Here we go, here we go)  
Sometimes in thru the day and thru the night  
Sometimes  
(Here we go, here we go)  
Sometimes you can make the pressure does unwind  
Sometimes  
(Here we go, here we go)  
Sometimes it's for your spirit and your mind  
Sometimes  
(Here we go, here we go)

One time lyrics that must stick on your mind  
Propa guys line that go 'Propeye, propeye'  
My Mc's super I'll go double on de right

Sometimes  
(Here we go, here we go)  
Sometimes in thru the day and thru the night  
Sometimes  
(Here we go, here we go)
