7 Years and 50 Days

Groove Coverage

Seven years and fifty days
The time is passing by
Nothing in this world could be
As nice as you and I

And how could we break up like this And how could we be wrong So many years, so many days And I still sing my song

Now I run to you
Like I always do
When I close my eyes
I think of you
Such a lonely girl
Such a lonely world
When I close my eyes
I dream

I'll return to you
Like I always do
When I close my eyes
I think of you
Such a lonely girl
Such a lonely world
When I close my eyes
I dream of you

Seven years and fifty days Now just look at me Another girl I used to be So then what do you see

And how could we break up like this And how could we be wrong So many years, so many days And I still sing my song

Now I run to you Like I always do When I close my eyes I think of you Such a lonely girl Such a lonely world When I close my eyes I dream

I'll return to you
Like I always do
When I close my eyes
I think of you
Such a lonely girl
Such a lonely world
When I close my eyes
I dream of you
