

I Want It

Groove Coverage

I want it now or never, don't wanna wait too long
No need to be too clever, just see what's going on
I like it nice and dirty, I want it hard and slow
Don't wanna act too flirty, so baby let it show

Don't need a perfect lover, don't want a superman
I want you like no other, you are my perfect ten
'Cause in the midnight hour, you make me feel so right
I want it in the morning, I want it, let it

I want it, I want it so bad
I want it, can't get you outta my head
I want it, I want it so bad
I want it...

I want it in the bedroom, I want it on the floor
I wanna make it naked, I want it hardcore
I like it big and juicy, I want it sweet and tough
I love to bussy bussy, I just can't get enough

Don't need a perfect lover, don't want a superman
I want you like no other, you are my perfect ten
'Cause in the midnight hour, you make me feel so right
I want it in the morning, I want it, let it

I want it, I want it so bad
I want it, can't get you outta my head
I want it, I want it so bad
I want it...

I want it, I want it so bad
I want it, can't get you outta my head
I want it, I want it so bad
I want it...

I want it, I want it, I want it, I-I-I...

I want it, I want it so bad
I want it, can't get you outta my head
I want it, I want it so bad
I want it...

I want it, I want it so bad
I want it, can't get you outta my head
I want it, I want it so bad
I want it...

I want it, I
