

# Let It Be

Groove Coverage

My life lasts forever, let me be with you  
There's still so much silence that I'm going through  
My tears are in heaven, but I must survive  
When angels are crying  
I'm ending my life.

Take the radio melody, sing with me  
Play the song "Oh Let it Be"  
With the radio symphony set you free  
What you get is what you see  
Take the radio melody, sing with me  
Play the song "Oh Let it Be"  
With the radio symphony set you free  
What you get is what you see  
On the radio symphony.

My dream lasts forever, so where are you now?  
I'm searching for nothing 'cuz love dies somehow  
No tears left in heaven that help me survive  
The angels were crying  
While I lost my life.

Take the radio melody, sing with me  
Play the song "Oh Let it Be"  
With the radio symphony set you free  
What you get is what you see  
Take the radio melody, sing with me  
Play the song "Oh Let it Be"  
With the radio symphony set you free  
What you get is what you see  
On the radio symphony.
