## Groove Coverage

I guess you don't know what to say  
I guess you don't know what to do  
Me, the little girl at school,  
You loved to play me for a fool.  
I guess you don't know what to say  
Shut up and watch me on TV  
No it's not the little me,  
I finally made it as you see

All your words - they made me strong  
As I told you - you were wrong  
It's for you I just keep pushing on

I'm gonna rock  
'till the day that I die  
And I'll never give up  
Today is my time  
Well, I'm gonna rock  
'till the day that I die  
And I'll never give up  
Today is my time

You told me I could never be  
A woman living all her dreams  
I guess it's hard for you to see,  
That I'm no longer on my knees  
Thanks for making me that strong  
And that you made me write this song  
Live your life and keep it on,  
When you reach me I'll be gone

All your words - they made me strong  
As I told you - you were wrong  
It's for you I just keep pushing on

I'm gonna rock  
'till the day that I die  
And I'll never give up  
Today is my time  
Well, I'm gonna rock  
'till the day that I die  
And I'll never give up  
Today is my time

You told me I could never be  
A woman living all her dreams  
I guess it's hard for you to see,  
that I'm no longer on my knees

I'm gonna rock  
'till the day that I die  
And I'll never give up  
Today is my time  
Well, I'm gonna rock  
'till the day that I die  
And I'll never give up  
Today is my time
