Summer Rain

Groove Coverage

Oh, my love, it's you that I dream of, oh, my love, since that day, somewhere in my heart i'm always dancing with you in the summer rain.

Every night and every day now, though I know you've gone away, somewhere in my heart I'm always dancing with you in the summer rain.

Oh, my love, it's you that I dream of, oh, my love, since that day, somewhere in my heart i'm always dancing with you in the summer rain.

Every night and every day now, though I know you've gone away, somewhere in my heart I'm always dancing with you in the summer rain.
