

Hello Again

Groovie Ghoulies

Hello, again, hello
I just called to say hello
I couldn't sleep at all tonight
I know its late but I couldn't wait

Hello, my friend, hello
I just called to let you know
I think about you every night
When I'm here alone and your there at home
Hello

Lately its been crazy
Maybe I'm to blame
Put my heart above my head
We've been through it all
And you love me just the same
When your not there
I still need to hear 'hello'

Hello, my friends, hello
Its good to need you so
Its good to love you like I do
I feel this way when I hear you say
Hello, hello, hello, hello
