## **Pet Sematary**

## **Groovie Ghoulies**

Under the arc of a weather stain boards Ancient goblins and warlords Come out of the ground, not making a sound The smell of death is all around

And the night when the cold wind blows No one cares, nobody knows

I don't wanna be buried in a pet sematary I don't wanna live my life again I don't wanna be buried in a pet sematary I don't wanna live my life again

Follow Victor to the sacred place This ain't a dream, I can't escape Molars and fangs, the clicking of bones Spirits moaning among the tombstones

And the night, when the moon is bright Someone cries, something ain't right

I don't wanna be buried in a pet sematary I don't wanna live my life again I don't wanna be buried in a pet sematary I don't wanna live my life again

The moon is full, the air is still All of a sudden I feel a chill Victor is grinning, flesh is rotting away Skeletons dance, I curse this day

And the night when the wolves cry out Listen close and you will hear me shout

I don't wanna be buried in a pet sematary I don't wanna live my life again I don't wanna be buried in a pet sematary I don't wanna live my life again

Not again, not again I don't wanna live my life Not again
