

Walk Out In The Rain

Groovie Ghoulies

Walk out if it doesn't feel right
I can tell you're only lying
If you got something better tonight
Don't mess up my mind with your crying

Walk out in the rain
Walk out with your dreams
Walk out of my life
If it doesn't feel right
And catch the next train
Oh honey walk out in the rain

I have come from so far away
Just to put a ring on your finger
You've said all that you've got to say
So please don't feel the need to linger

Walk out in the rain
Walk out with your dreams
Walk out of my life
If it doesn't feel right
And catch the next train
Oh honey walk out in the rain

It's rainin' inside of the city
My poor feet have walked 'til they're sore
If you don't want my love it's a pity
I guess I can't see you no more

Walk out in the rain
Walk out with your dreams
Walk out of my life
If it doesn't feel right
And catch the next train
Oh honey walk out in the rain
