

I Can't Believe

Ground Zero

Oh how I really love you
I don't know
You're really the only one I trust anymore
You stood by me when I needed help
You never let me down

I can't believe I'm saying this
I can't believe it would hurt like this
But you're the only one I trust
You're the only one that can hold my heart
Uh oh oh
The effect of love is really amazing
Whenever I'm around you I just feel so real
I feel so-o-o so right
Ohhhhh
You're the only one that can hold my heart tonight

You're just so beautiful
You take my breath away
And even though everyday when I look at you
I always know it could be the last time I'll ever see
you
It's really too much to bear
I can't hold this all inside, not anymore
I need to tell someone I can't live this life no more
It's too dangerous
But I can't leave you
You're too precious to me
The only one I can trust these days

I can't believe I'm saying this
I can't believe it would hurt like this
But you're the only one I trust
You're the only one that can hold my heart
Uh oh oh
The effect of love is really amazing
Whenever I'm around you I just feel so real
I feel so-o-o so right
Ohhhhh
You're the only one that can hold my heart tonight

Is it time to part
Is the world gonna restart
Will I ever see you again
Please don't go
Don't leave this world
Everytime I look at you
I always know it could be the last time I'll ever see
you again
It's true
I don't want to say goodbye
Not tonight
Just don't go you're the only one I can trust these
days
It's not easy to live this way
Ohhhhhhhh

I can't believe I'm saying this
I can't believe it would hurt like this
But you're the only one I trust
You're the only one that can hold my heart
Uh oh oh
The effect of love is really amazing
Whenever I'm around you I just feel so real
I feel so-o-o so right
Ohhhhh
You're the only one that can hold my heart tonight

I can't believe I'm saying this
I can't believe it would hurt like this
But you're the only one I trust these days
You're the only one I trust
The only one I'd risk my life with
You're the only one that can hold my heart
Hold my heart forever
You're the only one that I trust
The only one that I would confide my life in
You're the only one that can hold my heart
You're the only one I trust.....

You're the only one
The only one
The only one that can hold my heart
