

Bring The Party To Life

Group 1 Crew

Ladies and gentle The sound is fresh Out with the
old In with the newest No plan b So we here in the
flesh Call your neighbor up Cause you rockin with
the best yes! G-R-OUP O-N-E C to the R to the E-
double "V", Could it be We got the world chasin a
dream Could it be They callin us modern Luther
Kings A team of 3 cats And a king A tale unfolds
While the whole world is watching Word on the
street is We the Fugees with a swing But I say we
are What they could have been with the trinity You
listening To a man that's free He gave me the keys
I free'd slavery I write mean sixteen's So yall
can feel me And I write liberty So yall can feel he!
[Chorus]

shut the door man come on in, there's a new thing
about to begin, bring the party to life, we see
them dead get the oxygen there's a new thing about
to begin, bring the party to life

How ya doin man, I'm about to ruin any group 1
opinion that you might have had, see we the soul
train part of this game and no fame is gonna make
us change (that's right), what it been like, we
done traveled the world and havn't seen nothing
better than Christ (sho you right) this ain? t cocky
you watch me while I watch he who bought me like I
was eBayed and not cheap, so it? s only right that I
let this microphone become part of my bones while
I give it life, what you're hearing is an exhale
god breathes and I receive flow so you can't tell,
who this be when we ride this beat we 3 deep in
the front seat with destiny, make no mistake homy
we goin reap what sown new rights to homes while
god makes us right at home

I hit the spot 8 oclock I be rockin it, keep it
live when I arrive ain? t no stopping it, hit the
dance floor breaking, poppin, lockin' it, like a
rolex everybody's watching this, never knew Christ
could be so marvelous we the crew that you can't
forget we own this, so get your shoes on and
you're lookin right everybody in the spot bring the party to li
