

Can't Go On

Group 1 Crew

[Intro:]

I can't go on without You.
I tried so many times, and I failed.

[Chorus:]

Lord, I really need You in my life.
Fall every time that You're not inside.
Can't go on without Your love,
I can't go on.

Every time You arrive let my heart be open.
Because it's You that I put my hope in.
You give me love, give me strength, and
You give me courage, even though I don't deserve it.

I can't go on without You.
I don't believe that I even want to.
All I really want to see is me becoming more and more
Like You.

[Chorus:]

Lord, I really need You in my life.
Fall every time that You're not inside.
Can't go on without Your love,
I can't go on.

And I don't want to face this world alone.
I don't want to do this on my own.
I can't go on without Your love.
I can't go on.

[Rap:]

I see the need in my
Life and I can't deny
That You're the reason I'm breathin
And I need You in my life.
I'm on a new level and never will I be coming down.
Lift me up when I feel drown inside this shame I found.
And I believe whatcha said and You promised me.
And now I constantly look for You, to keep on watching me
I can't go on without You, I don't believe I'd ever want to.
Never be all You want
All I really want to see is me becoming like You.
Lord, I realize, I can't do it on my own.
I need you close, so You can help me make it through the storm.
And when I fall I know, You'll be there to pick me up, brush me off
And then You're quick to bring me back inside Your love.

[Sing:]

I don't know where to go now.
I'm lost in this emotion.
I'm givin You control now.
Pull me up from the bottom of the ocean.
I don't know where to go now.
I'm lost in this emotion.
I'm givin You control now.
You pull me up, pull me up when I'm going down.

[Rap:]

You know I could never let anything get between You and me
At times I tried driving solo but I finished on E
My own anxiety blinded me that I couldn't see that
You were always there and not once did You ever leave me.
I learned the hard way, but I'm glad that now I can say I'm free
Through all the turmoil You have opened my eyes to see
The greater love that You give and never asked a fee
And now I can say that I can't go on without You loving me.
Now I can say, now I can say that
I can't go on without You loving me!

[Chorus:] x3

Lord, I really need You in my life.
Fall every time that You're not inside.
Can't go on without Your love,
I can't go on.

And I don't want to face this world alone.
I don't want to do this on my own.
I can't go on without Your love.
I can't go on.
