

Lovely Cup

Grouplove

You're such a lovely cup
Why don't cha fill me up
All these reasons too hard to explain
So, I'll drink you up my dear
We got it all right here
Here is now, and now is where I want to be

Allure see, you belong to me

Am I hard to get away from this here masquerade
Comes a time when a man loses his mind
It's such a mystery my, my philosophy
What to do when we do have some time

Allure see, you belong to me
Allure saw, never let you go
No, never let you go

You're such a lovely cup
(Such a lovely cup)
Why don't cha fill me up
(Why don't cha fill me up)
You're such a lovely cup
(It's such a lovely cup)
Why don't cha fill me up
(Why don't cha, why don't cha)
You're such a lovely cup
(Why don't cha, why don't cha)
Why don't you fill me up
