

Become Zombie

Gruesome Stuff Relish

Maggots in your skin.
Devouring your flesh.
You feel nothing but you're still conscious.
Became a zombie!!!

You can't control your hunger.
The lust for human flesh.
You can't control your movements.
Your teeth begin to grind.
Became a zombie!!!
You're not a human being.
Your body is cold and rotten.
You can't stop eating.
Killing and feeding on the living.
Become a zombie!!!
