

## Spaghetti Terror (Is Pretty Cool)

### Gruesome Stuff Relish

I can remember the first time I saw "The devil and the dead"  
"Cannibal Ferox", "The gates of hell", "Graveyard disturbance",  
"Eaten  
Alive"  
I found my way, I saw the light  
Umbero Lenzy, Michele Soavi, Lamberto Bava, Antonio Climati, Da  
rio Argento,  
Joe D'amato, Lucio Fulci, Ruggero Deodato  
Cannibals and zombies  
The jungle and the gore  
Gods of the splatter  
Mondos and softcores  
"Zombie flesh eaters" saved my life  
"Inferno", "Gomia", giallo all the time  
"Cut and run", "Dr. Butcher M.D.", "Demons", "Deep red" and "Zo  
mbie 3"  
Frank Martin, Vincent Dawn  
The kings of zombies will put you down!  
Mario Bava, the old school  
Spaghetti terror is pretty cool!!!
