

Broken

Gruntruck

Broken words, broken heart
Broken lip, broken jaw
Broken house, broken heart
Broken hip, here come the cops

Let's stand and stare at the ocean
Let's stand and stare at the sun

Chokin' words, chokin' thoughts
Chokin' words, chokin' hearts
Chokin' grins, chokin' smiles
Broken hips, broken cops

Let's stand and stare at the ocean
Let's stand and stare at the sun

Broken words, a broken heart
A broken lip, a broken jaw
A broken house, a broken heart
Broken hip, broken cops

Let's stand and stare at the ocean
Let's stand and stare at the sun
Let's stand and stare at the ocean
Let's stand and stare at the sun
Let's stand and stare at the ocean
Let's stand and stare at the sun
