Broken

Gruntruck

Broken words, broken heart Broken lip, broken jaw Broken house, broken heart Broken hip, here come the cops

Let's stand and stare at the ocean Let's stand and stare at the sun

Chokin' words, chokin' thoughts Chokin' words, chokin' hearts Chokin' grins, chokin' smiles Broken hips, broken cops

Let's stand and stare at the ocean Let's stand and stare at the sun

Broken words, a broken heart A broken lip, a broken jaw A broken house, a broken heart Broken hip, broken cops

Let's stand and stare at the ocean Let's stand and stare at the sun Let's stand and stare at the ocean Let's stand and stare at the sun Let's stand and stare at the ocean Let's stand and stare at the sun
