

# Out Of My Mind

GS Megaphone

I doubt you've failed to see I'm out of my mind  
Yeah it's for the sake of Christ that I'm this way  
Ever since I gave Jesus all I have yeah I just  
Can't keep this fire I've got inside, well you may think  
It's a bad thing you say chill out you're just a little high strung  
But the way I see it if I'm only seeking God's approval  
Your disapproval won't bother me at all

Cause I'm out of my mind yeah  
And I'm into the mind of Christ  
I refuse to conform any longer  
To the pattern of this world I'm living in  
I'm not a good little church mouse boy any longer  
From now on man I'm a man of God  
Well you may think it's a bad thing you say chill out your just  
a little high strung  
But the way I see it if I'm only seeking God's approval  
Your disapproval won't bother me at all

Laugh at me, put me down  
God told me such things would come  
Disown me, you can ridicule me  
I don't live my life for you  
Cause you never died for me
