

Your Song

GS Megaphone

Sacrifice all my rights. Make my broken spirit free to fly.
Break my will. Free my mind.
Mend my wings. Let me touch the sky.

Overcome who I am.
Make me more than just this broken man.
More of you, less of me.
Make me the man I'm supposed to be.

All I have is nothingness without you,
And all my innocence is gone.
Change me from the inside, rearrange me,
And I'll forever be your song.

Fill my veins. Shine through me.
Illuminate my soul and set me free.
My worldview, I despise.
Let me see the world through Jesus' eyes.

All I have is nothingness without you,
And all my innocence is gone.
Change me from the inside, rearrange me,
And I'll forever be your song.
