### Guadalcanal Diary

You went all the way, you're in T.R.O.U.B.L.E.  
'Cause I'm gonna tell Mama  
You got something to say you'd better say it now or hold your p  
eace  
'Cause I'm gonna tell Mama

Mama don't listen to a thing I say  
But I keep telling her anyway  
Does me good to know I'm doing right  
Come and get your whippin' tonight

You start messing with me, you're in T.R.O.U.B.L.E.  
'Cause I'm gonna yell Mama  
She's big and mean W.H.I.P.P.I.N.G.  
And I'm gonna yell Mama

Mama don't listen to a thing I say  
But I keep telling her anyway  
Does me good to know I'm doing right  
Come and get your whippin' tonight

I'm comin' out the house to get you  
Bring me a switch  
I'll put big stripes on those fat little legs  
And I'll make you itch

Mama don't listen to a thing I say  
But I keep telling her anyway  
Does me good to know I'm doing right  
Come and get your whippin  
Mama don't listen to a thing I say  
But I keep telling her anyway  
Does me good to know I'm doing right  
Come and get your whippin' tonight
