

Don't say a word  
life is like a sin-phony  
brave as you dare  
there's nothing but your gain  
so take off your shoes  
and coming down from ecstasy  
hide and turn loose  
that's why i force you to

walk like a stag  
talk like a stag  
come watch yourself  
walk like a stag  
who could wear my pants

dick  
no dick  
you got no  
dick  
yeah yeah how come

now it's time to live your fantasies  
ready or not we have a new concept  
to turn the coin of lust and penalty  
just look what i do

walk like a stag  
talk like a stag  
come watch yourself  
walk like a stag  
so you could wear my pants

dick no dick  
you got no  
dick  
yeah yeah how come
