## I Want It

Aaa

**Guano Apes** 

I'm feeling like an angel Oh, I'm feeling like a buttercup We're sailin' around the world Yeah, I like the kind of irony in my life Don't you know that I'm your angel? Don't you know, we are all paranoid? Don't you know that I am in anger? Yes, I come out at night and surprise you with our Right now (I want it, I want it) Right now (I want it, I want it) Right now (I want it, I want it) Right now I want it right now I?ll bake you like cookies Guano around the world Forty five degrees and we smile We love what we do and you do what we Want now (I want it, I want it) Right now (I want it, I want it) Right now (I want it, I want it) Right now (I want it right now) Right now Right now Right now Right now Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Get up with the storm and running all my life Right now (I want it, I want it)

Right now (I want it, I want it) Right now (I want it, I want it) Right now (I want it right now) Right now Right now Right now Right now (Right now) We?re here, we?re alive, we?re around (Right now) And we act like fools (Right now) We?re here, we?re alive, we?re around (Right now) And we act like fools come and ...
