

## Even It Out

Guardian

Even  
Even it out  
Even  
Even it out

New extremes  
No strings  
Appetite  
More things  
Rights of passage  
Steer the free  
To anarchy

Silver tongues  
In God's house  
Green the plate  
Clean up  
Too late  
These sugar kingdoms  
Will melt away  
On judgment day

Moderation in everything
