

# Fire And Love

Guardian

Another day try to stand up straight;  
keep the world from draggin' me,  
down'; fight the flames that feed  
the fire, but my mind keeps spinnin'  
around. Holding on to what You  
said, cuz I know Your words are  
true; only way to win this fight is  
to keep my eyes on, You

Fire and Love, the two extremes  
that we live between. Fire and  
Love, there's more to life than the  
eye can see.

Feelin' down, well I've been there  
too; I know just how you, feel. A  
winning hand from every side, it's  
hard to tell what's real. Caught  
between the two extremes, Feel  
the pull from side to side. Trying  
to run the easy road; just enough  
to get you by.

Oh Lord, I know You've got the  
answers; Oh Lord, I know You are  
the Way. Oh Lord, I know You  
are the Answer, Oh Lord, I need  
You, everyday.

Fire and Love, the two extremes  
that we live between. Fire and  
Love, there's more to life than the  
eye can see.

Oh Lord, I know You've got the  
answers; Oh Lord, I know You are  
the Way. Oh Lord, I know You  
are the Answer, Oh Lord, I need  
You, everyday.

Fire and Love, the two extremes  
that we live between. Fire and  
Love, there's more to life than the  
eye can see.
