

Send A Message

Guardian

You know I just can't fight it, got no
more strength to hide it; inside my
heart I hear the Call. I get tired of
people pleasin', the same old rhyme
and reason; is it any wonder that
we fall

Tear down the walls around me, the
time has come to make a stand;
open up my heart to You, Lord;
I want to live for You; do anything
You want me to; gonna lay it on the line

OOH, send a message out; take it to
The people everywhere. OOH,
send a message out, take it to My
people everybody shout

You feel the war around you, you
start to run and hide because you
don't know what to do. You've got
no need to worry about the fire
and fury; the Blood of Christ will
cover you

Tear down the walls around me, the
time has come to make a stand;
open up my heart to You, Lord;
I want to live for You; do anything
You want me to; gonna lay it on the line

OOH, send a message out; take it to
The people everywhere. OOH,
send a message out, take it to My
people everybody shout

Take it all around the world, take
this Message to the people
everywhere

OOH, send a message out; take
it to the people everywhere. Won't
you please send a message out,
take it to My people, everybody
shout
