Time And Time Again

Guardian

My life, before my eyes going back Again. Memories of days gone by when I thought I had reached the end. Life an be so cruel when you know that you, have given all you've got, but you can't break free. Love can be so strong when you give your heart up to the One who gives you strenght to carry on

Time and Time again, You helped me thru; Time and Time again, You showed me the Way; Time and Time again You helped me thru, I keep running thru the danger zone

Oh Lord, You're always watching over me ... Oh Lord, now I'm the man that I should be

I came into this life, I thought I was my own. But there is a love greater than all, I can't make it alone. Life can be so cold when you know that you have given all you've got, but it's not enough. Love can be so good when you, give your life up to the One who gives you strength to carry on.

Time and Time again, You helped me thru; Time and Time again, You showed me the Way; Time and Time again You helped me thru, I keep running thru the danger zone

Oh Lord, You're always watching over me ... Oh Lord, now I'm the man that I should be

Oh Lord, You're always watching over me ... Oh Lord, now I'm the man that I should be

Your love is so good and You're always watching over me.
