

Dreamworld Messiah

Guardians of Time

She is the light, our dreamworld Messiah.
Believe in her might and she'll pave the way.

She is the saviour of us all.
Standing behind her. Standing tall.
She's a messiah of our time.
Leaving our old world far behind

Our righteous path forever on.
Victorious and strong.

She is the light, our dreamworld Messiah.
Believe in her might and she'll pave the way.

Watching our future bright ahead.
Our enemies torn to shred.
Mysteries of time will unfold.
Our escapade won't go untold.

Our righteous path forever on.
Victorious and strong.

She is the light, our dreamworld Messiah.
Believe in her might and she'll pave the way.
