

24 Hours

Gucci Mane

I'm up 24 hours, money and the power
Stunting on the hoes and I'm shitting on the cowards
Up 24 hours, I'm up 24 hours, I'm up 24 hours
No shit shave or shower
Until I get my money back
I gotta get my money up
I'm 24 hours, it's Gucci nigga, it be so hard I'm up 24 hours (Simultaneousl
y). New album, it's Gucci
Cut up something Cory

Damn it's a good day. Damn it's a good day
Call Drumma boy and told him let's go make a hood tape
First thang I'm a do pull out my 7'4
Candy coated black things sitting on them 40 O's
24 towers, 8 bricks of powder, 10 bells of dro
What I payed for the flour
Don't talk about my lambo, talk about my Rarri
Talk about my Phantom, talk about my Harley
Brick Squad Biker boy, angel named Charlie
Goons going psycho white boy gnarly
Every 24 seconds passing me the Marley
Lames tryna diss don't effect me hardly

I'm up 24 hours, money and the power
Stunting on the hoes and I'm shitting on the cowards
Up 24 hours

It's Gucci!

I'm going to the bank again making a deposit,
It's getting kinda chilly bring my minks up out the closet
Getting kinda warm get my jewelery out the safe
If it be a problem put the hater in his place
I'm slicker than an oil spill
Sharper than a razor
I'm screaming anybody get it like my nigga Major
Finna cop a condo and fill it up with ammo
Brick Squad Bandana on I think I'm fucking Rambo
It's Gucci
I'm a killer so don't push me
Brick Squad ain't no pussy niggas
Running with them wig splittas
Niggas screaming roll one
Gucci let me hold some
But I can't let you hold none
I hit you with the whole drum

I'm up 24 hours, money and the power
Stunting on the hoes and shitting on the cowards
So 24 hours
I'm up 24 hours. I'm up 24 hours
No shit, shave or shower

Until I get my money back
I gotta get my money up
I'm up 24 hours. I'm up 24 hours

I'm fucking with a white girl you can call me Ice-T
Cause I got my crystals on you can call em Spike Lee
Robbin me unlikely last try I drop em
Hollow tip stopped em
I ain't have time to box him
Stunting like an actor
Running like an athlete
Strait to the money like a sprinter at a track meet
First signed Waka, then I signed Gucci
Then I sign Brick Squad tell em come sue me

I'm up 24 hours, money and the power
Stunting on the hoes and shitting on the cowards
So 24 hours
I'm up 24 hours. I'm up 24 hours
No shit, shave or shower
Until I get my money back
I gotta get my money up
I'm up 24 hours. I'm up 24 hours
