Put on your booty shorts
Ooh, I really like the sexy way you walk
Ooh, I like the way you make your booty talk
Everytime you put on your booty shorts
Believe dat girl

I don't holla at girls girls holla at me I don't throw dollars at girls, they throw dollars at me Gucci you conceited bitch I might be Cause my chain so bright Stevie Wonder might see Yea you got a man but ya man ain't me Add ya whole life savings times three The mouth full of dro and the clothes ain't free So you gotta be a dimepiece to approach me How much 'unh can one girl take How many cakes can one man bake Playa on the real man I don't know I just love it when they fresh and they ass cheeks show Everybody stare when I walk in the room Smokin on purp got me high like the moon Chain front big like its New Year's Eve But my Rollie on fire like the first day of June

Candy Escalade 26 inch blades
Throw back money from back in eighth grade
Ya dancin in the club so I know ya get paid
But I betcha you'd look betta wit these microbraids
Girls in the club like dat there stank

Showin off three or four rubberband banks

Me and HB keep a big bankroll pulled up in a Hemi wit the Lambo Doors

Me and yo chick in a red corvette

I neva had shit nigga what ya expect

Neva seen a young man paint so wet hood rich and my album ain't even dropped yet

You'll neva see a man wit a watch like mine

You'll neva see a man wit a watch like min Face real pretty and a body real fine When we get home I'm a break her spine Get in her ear and corrupt her mind
