

# Can't Trust Her

Gucci Mane

Ooh, ooh

Can't love her, can't trust her (fuck that ho)  
I swear that I can't put no one above her (what)  
That money (money), what we live for (gettin' it)  
Sign that, thanks for stealin' I'm a kill her  
Swear I can't love her, can't trust her  
I'd be a damn fool just to cuff her  
Can't love her, can't trust her  
Can't love her, can't trust her

Drop, Phantom, [?], Rolls  
Tripped her out her panty hose  
She heard Gucci Mane's a dog (woof)  
You know the way I handle hoes  
All my hoes got bitches too  
All my guns come with extensions  
Girl who the fuck you talkin' to?  
Better watch your tone and get out my business  
She always home I'm always gone  
Ho stick to me just like cologne  
Kush, we still go off that strong  
I smell like five pounds of She won't believe me, she won't believe me  
She don't believe me, she don't believe me  
G-G-Gucci Mane be real and flexin'  
I can buy thirty five SS's  
She call my phone I hit decline  
And I ain't fine with fuckin' textin'  
Cold dirty world you better wear your boots  
You know it's hurtin' me to hurt you it hurts me too  
I know I got a cold heart but baby not about you  
I know I lie but if the shoe shines you lie too  
My ride or die bitch she gone and I miss my boo  
I ride by you in the coupe fuck I miss my roof

Can't love her, can't trust her (fuck that ho)  
I swear that I can't put no one above her (what)  
That money (money), what we live for (gettin' it)  
Sign that, thanks for stealin' I'm a kill her  
Swear I can't love her, can't trust her  
I'd be a damn fool just to cuff her  
Can't love her, can't trust her  
Can't love her, can't trust her

Who? Rich Homie baby  
First of all, I can't trust no woman  
So baby leave, all my bitches  
Take off like Bessy Coleman  
Bitch you freakin', niggas ain't speakin'  
Let them know this  
Them niggas leachin', give me back  
All my shit you owe me  
That trigger squeezin', shootin'  
At all these motherfuckers  
Breakin' on polices, fuck dinner trays  
Got three covers  
Straight out them trenches

Me and my nigga workin' double  
He love them millions  
Know what the crazy thing is?  
I hate I love 'em (I do)  
Oh, me and Guwop straight up East Atlanta with it  
Word around town? (What's that?) Your new drop rented  
(I know) I got loose knots in my denim (yeah)  
And a shoe box full of binges (Rich Homie)  
Two shots and I'm in 'em

Can't love her, can't trust her (fuck that ho)  
I swear that I can't put no one above her (what)  
That money (money), what we live for (gettin' it)
