

Fuck the World

Gucci Mane

Money fold>
dope, so bitch
you already know>
White birds, black birds, serving piegons n crows>
I whipped da dope so good a benz jumped out the bowl>
Mother fuck the ATF and the border patrol>
Me and ma' amigos at the table shots of don julio>
I fuck your bitch a week ago, but I ain't gonna fuck her no more> (SIKE)
I got the stacks under the mattress so I sleep with the doe>
I got them bricks stuffed in the wall so yeah I live with the coke>
Its brick sqaud and I know you niggas mad 'cause you broke>
you seen my video on the tv an he broke the remote>
I'm like pablo in his prime shoulder deep with the snow>
I read your paper work nigga,
man yall niggaz some hoes,
Hook:
I've been on some fuck the world shit lately
And I grind to get where im at,
The niggas don't wanna see you wit these stacks,
I'ma fly nigga to be exact
And I've been on some fuck the world shit lately cuz i grind to get wh
ere im at.
The niggas don't wanna see you with the stacks
I fuck fly bitches to be exact
And I've been fuck the world shit
I got all eyes on me like pac did,
But I ain't tryin to go broke like joc did,
I ain't tryin to fuck my deal up like block did
I'm tryin to stack them free bandz like rock did
Tell the truth I never thought that I'd get this big
I think im bout to buy some choppers like tip did
I came in flexin jewelry like flip did
Got every penny out the six that's where I milked it
That brick sqaud shit i built it
I put flocka in the game and he killed it
I did a song with lil wayne and I killed it
My only wish my nigga dump was here to rip shit
(GUCCI)
Ive been on some fucc the world shit lately,
and i grind to get where im at,
these niggaz dont waanna see u wit these stacks,
ima fly nigga to be exact.
and ive been on some fucc the world shit lately,
these niggaz dont wanna see u wit these stacks,
i fuck fly bitches to be exact,
and ive been on some fucc the world shit lately,
My uncle ronnie died from smoking cain,
My cousin suicidal he blowed out his brain
They gave my nigga 30 years he in the chain gang
I just had to drop a 40 racks up on my rang
im in gissipes walking in the rain
I can't even help it i've been through some things
I put my heart in every verse and when I'm on that plane
I'm thanking god for all my watches and all my chains
I'm in channel and I'm in fara gama
The bitches know I work through karma
They know I got that lama

And my lil sister just got out that como
That sickle cell hurtn her bones..free my nigga bubba
