

Brrrr, Metro  
Wop, hah  
It's big Gucci, catch up  
Metro, Wizzop  
If Young Metro don't trust you I'm gon shoot you

I put eight mill in my crib to inspire ya  
When you worth like twenty mill, the kids admire ya  
When your rap sheet look like mine, no one will hire ya  
But when you sign yourself like I did, they can't fire ya  
You want your club so loud then put me on the flier (it's Gucci)  
I'm on fire like Richard Pryor, my price gettin' higher  
How you gon' take my title, drivin' a car without a title?  
I'm whippin' through rush hour Charlotte traffic in a Spyder  
Slide up on ya bitch like a race car driver  
Dive off in that pussy like a deep sea diver  
Niggas from my hood know me from cheap, cheap powder  
But niggas on your block say you're a real weak coward

High five, low five  
I left them niggas hangin', they get no five  
Gucci Mane, they say that I got nine lives  
Six Flags Over Georgia, I got nine rides  
High five, low five  
I left them bitches hangin', they get no five  
Gucci Mane they say that I got nine lives  
Come go to Gucci World, cause I got nine rides

Fuck yo jam of the week, I put grams on the street  
So much money, gave metro a hundred grand for the beat (Metro)  
So much ice around my bezel you can't see, the Patek  
I'm Felipe, in Felipe's, with a freak, she petite  
From the beach, to the skreet, from the skreet, to the suite  
Put my bone in her mouth, told her bon appétit  
I done sold so many keys they should deport me to Belize  
Cause I'm shining on these niggas like a desert with no trees  
From the hat on my head to the shoes on my feet  
Every garment on my body, man, it come from overseas  
In them 'partments I was raised I sold like 50, 000 P's  
You want Gucci on your song, that's at least a hundred G's  
Wop

High five, low five  
I left them niggas hangin' they get no five  
Gucci Mane they say that I got nine lives  
Six Flags Over Georgia, I got nine rides
