

# Lawnmower Man

Gucci Mane

Don't let yo' mouth write a check that yo' ass can't cash  
I'm the lawnmower man and yo' ass is grass

Gucci Mane make a nigga wear a shit bag  
Actin bad like a kid at Six Flags  
I'll send some slugs at yo' bitch ass  
In my hood ain't no love for yo' bitch ass  
Fifty pounds in the trash bag  
Anybody move then that nigga gettin blast at  
Hit a lick for 'bout fifty stacks  
Niggaz trippin talkin 'bout Gucci bring the money back  
Half a brick and I'm breakin that  
I'm in the trap where the junkies at  
I'm gettin fat, fuck a jumpin jack  
Zay' drop a track the whole industry be jockin that  
I'll put a hole in your stocking cap  
Work ya like a bitch at the Body Tap  
I stay strapped, blow you off the map  
Niggaz hate behind my back, but when they see me give me dap

Don't let yo' mouth write a check that yo' ass can't cash  
I'm the lawnmower man and yo' ass is grass

Uhhhh...

I'm from the hood I'll punch your lights out  
I took your jewelry, now I'm iced out (icy icy)  
Gucci Mane got that 'caine in  
I swear I never tuck my chain in  
You just a thug gettin traded  
I'm a thug entertainin  
Really I'm a street nigga  
That chopper on the seat, nigga  
All ready for that beef, nigga  
Yo, Gucci gotta eat, nigga  
I guess I'll see you when I see you nigga  
I wouldn't wanna be you nigga  
Now ain't that like a nigga  
Tryin to sound like a nigga  
A lover not a fighter nigga  
But let me see yo' lighter nigga

Don't let yo' mouth write a check that yo' ass can't cash  
I'm the lawnmower man and yo' ass is grass

You see the bracelet on my arm, my necklace, my charm  
I'm dangerous and armed with grenades and bombs  
Y'all done slumped out with tons of ones  
In tha club puttin on like "I'm Dapper Don"  
Yours truly, young Gucci all I do is hustle hard  
Never had credit but used my 2000 Mastercard  
Grimy and gritty, hotter than cookin with lard  
Gucci Mane on the block again and I'm cookin ya boys  
It's that grown man shit, nigga bring all the toys  
When I snap they'll have to call the lieutenant and sarge  
Bring the whole entourage, see she thinkin you hard  
And watch how quick I load the chopper bullets you gotta dodge  
Uhhh... Gucci Mane on the track nigga

Zaytoven on the track nigga  
Big Cat, Laflare nigga  
I'm the lawnmower man, nigga

Don't let yo' mouth write a check that yo' ass can't cash  
I'm the lawnmower man and yo' ass is grass
