

Making Love to the Money

Gucci Mane

Makin love to the money
I swear the sex great
I kicked them hoes out
but let the money stay
makin love to the money like a sex tape
I'm talkin kim k I'm talkin Ray J
makin love to the money on the interstate
can't keep my hands off her
we on a dinner date
I'm makin love to my money
shawty keep me str8
I cant live without her
I fuck her everyday

Shawty stay by my side when I started grindin

Now baby aint no angel

before she dealt wit me
she dealt wit some real evil people
she bought me ak's call it desert eagles

I took her from her ex yaaa he kinda cheap
the very day she left
we started beepin
and she dont ever lie to me
she keep it real
your bitch keep comin short
my bitch keep wearin heels
she keep on standin tall
she never stand me up
she'll go to war wit anybody
she dont give a fuck
she help me keep it in the road
like a hub cap
so I keep her on my mind
like a skull cap

Makin love to the money
I swear the sex great
I kicked them hoes out
but let the money stay
makin love to the money like a sex tape
I'm talkin kim k I'm talkin Ray J
