Chopper in the club, I don't care who show up
Watch lookin' like a glow up, when I throw up
East side Bouldercrest Road where I grewed up
Hold up, lil homie tone it down
'Cause the jewelry that you rockin' is for kids, I'm a grown up
Sat courtside right next to the owner
Lookin' so good, make his wife pick her phone up
Big gold boulders, in my Rollie
Look like Fred Flint when he wanna pick a stone up
If everybody got a watch like that
Then why would I want that watch? I'm a loner
Damn now, had the Got that car 'fore I got it, now I really don't wanna

Water on my time piece wetter than a Fiji
Parked in front of the St Regis
Artists wanna meet me
Ballin' like an athlete, but I ball all four seasons
Diamonds, dancing just like Breezy
Take it easy, Breezy go easy
