

A Life in Finer Clothing

Guided by Voices

AhhhhAhhhhAhAhAhhhhAhAhAhhhhAh
Wanting to choose
Fight the scene through unrekowned leaders too
And nothing is real
She found me someone who wants to stone cheaters too
And I think it's cool
Finding out yr not one of the bleeding few
And just like in school
Yr following every unsane leader
Cool as long as you weed them out
Fool says nothing but breeze
For all the things for you
And all these things are new
So unbelievable now
In finding freeways through unrekowned leaders too
