

What's that you're wearing?  
It smells so good  
You don't wanna know  
What's that you're eating?  
Could be misleading  
You don't wanna know

But I wanna know x3

A cow could fly if it had wings  
We use the bones and everything  
What's that you're wearing?  
It smells so good  
You don't wanna know

But I wanna Know x2  
But you don't wanna know  
But I wannna know.
