

## Blatant Doom Trip

Guided by Voices

Jill and Vicky liked to drug-out  
Doing it naked with ???  
Ain't no angels in this part of town  
Take me on a blatant doom trip, yeah  
Take me on a blatant doom trip  
We'll go down  
Smell around  
Take me on a blatant doom trip

Slow righteous  
No time to back out  
Lay all commands at the crack of the whip  
I don't care if the rain causes pain  
Just take me on a blatant doom trip, yeah  
Take me on a blatant doom trip  
Sonic boom
