

Blatant Doom Trip

Guided by Voices

Jill and Vicky liked to drug-out
Doing it naked with ???
Ain't no angels in this part of town
Take me on a blatant doom trip, yeah
Take me on a blatant doom trip
We'll go down
Smell around
Take me on a blatant doom trip

Slow righteous
No time to back out
Lay all commands at the crack of the whip
I don't care if the rain causes pain
Just take me on a blatant doom trip, yeah
Take me on a blatant doom trip
Sonic boom
