

## Bomb in the Bee-Hive

Guided by Voices

Here I go around the blame  
Here I go with hand over flame  
Down on the floor at 9 00  
A scene not fully recognized  
At precisely 9 00  
Here I go with clapping hands  
Here I go with, still no plans  
Illuminate the mystery  
The film is not for view  
The film is not for you
