

## Canteen Plums

Guided by Voices

Dancing as their chance passed  
Promoting national trust  
And goose the tunnel for the ditch  
Your jokes are ??swelling whining tracks??  
It's a sign of the times  
On Sudden Outburst Radio  
Feed our egos getting our fill  
With the Everything I Want pill  
And Andy Paper it is time?  
He's frozen up there on the slips  
And so the minors collapse  
They waste no time lacking guts  
Throwing ashes on the fire  
Cause everybody's a star  
Manifesting hypocrites  
In fifty blows, it's quite relaxing
