

## Chicken Blows

Guided by Voices

Chicken blows I suppose we could have a girl or a boy  
And I see what you mean I'm not here to drink all the beer  
In the fridge (oh, la la la) In the room (oh) In the house In the place  
(oh, la la la)  
That we both (oh) So love  
Can you sink to the depths (lots of "oh"ing)  
I don't know I don't even care  
And our lives slip away In the end we will probably reach  
All the way (oh, la la la) To the walls (oh) over there  
Have you flown? (oh, la la la) Our courage (oh) Is only a taste  
And I'll get paid (ooh, ooh) If you'll get laid (ooh, ooh) It's o  
ur parade (ooh, ooh)
