

Closer You Are

Guided by Voices

Chain smoke rings like a vapor snake kiss
She says she don't know why
The closer you are the quicker it hits you
Closer you are the quicker it hits you
Now you can see the boys dreaming, scheming

You play the heavy
It's a real slick movie move
"Stoned at the Alamo" tonight
The closer you are the quicker it hits you
Try to be nice and look what it gets you
Now you can see the boys dreaming, scheming
