

## Father Sgt. Christmas Card

Guided by Voices

Fight me  
Fight me in practice  
Up from a squelch  
A ten point power plant  
No planning a rant  
You get a clear man

Hunting a heart  
Backed away in his pig  
Father Sgt. Christmas Card  
Gone jogging  
Gumming the fun tunnel  
And answer to no one  
And not knowing this  
So God bless you  
Continue to speak

Oh, God, bless you!  
Fa la la la la  
Oh, God, bless you!  
Fa la la la la
