

## Grandfather Westinghouse

Guided by Voices

Grandfather Westinghouse  
Always the hand in glove  
Do you think you could rise above  
Grandfather Westinghouse  
His is the right to show  
Do you think he could stop it or go  
In the sun  
In the sun  
In the sun  
Grandfather Westinghouse  
Painting the mirror of sin  
Kissing the saccharine sweet  
Next of kin  
In the sun  
In the sun  
In the sun
