

Let's Go Vike

Guided by Voices

Let's go vike
Let's go vike
I gotta (played/blade?) alibi (4x)
A man in a gripped(?) white suit
??? when you fly by
I'm not gonna talk to your feet
My single mind's outta ???
Big and strong like me
A couple more Jack's
And there ain't no skull
Cupid could be like me!
Find me a woman!
Let's go vike etc
