

Matter Eater Lad

Guided by Voices

He constructed a factory
Just because he was hungry
Just to see how it tasted
Bicycle wheel in a brat's brain
Chorus: Yeah he's mad
He's matter eater lad
Yeah he's mad
He's matter eater lad
First he started on furniture
Then he moved on to parking lots
Now he's eating Ansonia
Now he's eating Andromeda
He's matter eater lad
